December 16th, 10:30-11:30AM

Legacy Education Center

For IATP students

We are excited to celebrate IATP's rich cultural diversity.

\*Please bring a dish representing your culture or family tradition.

\*Donations to our program help maintain the wide range of opportunities provided to students as well as cover ongoing costs. All students continue to benefit from the generosity of our parents and community. Students will be allowed to participate in some capacity regardless of whether a donation is made.
